

2022 MICHIGAN

PACKAGING AND LABELING REQUIREMENTS

Based on Adult Use Permanent Rules

MICHIGAN MARIJUANA REGULATORY AGENCY (MRA), ON AUGUST 2, 2021, ISSUED A 15 PAGE ADVISORY BULLETIN ON EDIBLES AND INFUSED PRODUCTS THAT SHOULD BE REVIEWED IN ADDITION TO THE REGULATORY RULES THAT FOLLOW.

GENERAL

1. Marihuana-infused products must be homogenous.
2. The allowable variation for weight and THC and CBD concentrations is + or – 15%.
3. “Edibles” are broadly defined to include any product containing marihuana that is intended for human consumption in any manner other than smoke inhalation.
4. Maximum adult-use serving sizes: 10 mg THC per serving, and 100 mg THC per container for edibles, 200 mg per container for capsules and tinctures. No specified serving or container sizes for non-ingested products like topicals and lotions, etc.

PACKAGING

1. Edibles must be in opaque, child-resistant packaging
2. Multiple serving edibles must be CR resealable

LABELING:

- Marihuana products** must be labeled by the producer or packager with:
1. The name and address of the processor or packager
 2. The name of the product.
 3. An ingredients list in the FDA format
 4. The net weight or net volume of the product

Edibles, in addition to the above, must:

1. If major allergens are present, include appropriate FDA format labeling
2. If nutritional claims are made, include appropriate labeling per federal guidelines
3. Include the statement “Made in a marihuana establishment” (min 11 pt & contrasting color)
4. Not be in a shape or labeled in a manner that would appeal to minors including no cartoons, caricatures, toys, or similar designs or shapes
5. Not be easily confused with commercial candy, or use the word candy or candies
6. Not be in the shape, caricature or likeness, real or fictional, of a human, animal, or fruit. Edibles that are geometric shapes and simply fruit flavored are compliant
7. Be shelf stable and not require time or temperature control
8. Include an expiration or use-by date.

ADDITIONAL MARIHUANA PRODUCT PACKAGING AND LABELING REQUIREMENTS FOR RETAIL SALE:

1. The name and license number of the **producer**, including business or trade name, and state tag or source number
2. The name and license number, including business or trade name, of the **packager** if different from the processor
3. The unique identification number for the package or the harvest, if applicable. 4. Date of harvest, if applicable.
5. Name of strain, if applicable.
6. Net weight in United States customary and metric units.
7. Concentration of THC and CBD.
8. Activation time expressed in words or through a pictogram.
9. Name of the marihuana safety compliance facility that performed any test, any associated test batch number, and any test analysis date.
10. The following warnings:
 - "For use by individuals 21 years of age or older only. Keep out of reach of children."
 - "It is illegal to drive a motor vehicle while under the influence of marihuana."
 - "National Poison Control Center 1-800-222-1222."

DISCLAIMER: THESE REQUIREMENTS ARE BELIEVED TO BE ACCURATE, BUT ARE NOT ALL-INCLUSIVE AND ARE SUBJECT TO CHANGE. THEY SHOULD NOT BE RELIED UPON FOR COMPLIANCE WITH ALL LAWS AND REGULATIONS RELATING TO PACKAGING AND LABELING IN MICHIGAN.
